**CASE NUMBER:** CON2025-00034 (City)

**APPLICANT/AGENT:** Westside Baptist Chapel, Inc. / SDCT Holdings, LLC (Applicant) / Baughman Co., P.A. (Agent)

**REQUEST:** Conditional Use for Ancillary Parking

**CURRENT ZONING:** SF-5 Single-Family Residential District

**SITE SIZE:** 0.39 acres

**LOCATION:** Generally located approximately 400 feet west of North 119<sup>th</sup> Street West and north of West Central Avenue (12050 West Central Avenue).

**PROPOSED USE:** To permit an ancillary parking lot for abutting commercial uses.

**RECOMMENDATION:** Approve, with conditions

**BACKGROUND:** The applicant is requesting a Conditional Use for Ancillary Parking on a portion of a property zoned SF-5 Single-Family Residential District (SF-5). The portion of the subject site as requested is 0.39 acres and is generally located approximately 400 feet west of North 119<sup>th</sup> Street West and north of West Central Avenue (12050 West Central Avenue).

SDCT Holdings, LLC will lease the portion of the property to be used as Ancillary Parking from the owner. The remainder of the lot proposed to include Ancillary Parking is developed as a Church or Place of Worship and is also used for Agricultural purposes. A site plan has been attached to the end of this report showing the proposed parking lot to the north of a set of buildings used for Animal Care.

Per the UZC, Ancillary Parking is permitted in the SF-5 District by Conditional Use approval subject to Supplementary Use Regulations in Section III-D.6.p. According to Supplementary Use Regulation #6, the site would be required to provide screening on the west, north, and east boundaries of the Conditional Use area because it abuts residential zoning. Landscaping would need to be provided in accordance with any applicable Landscape Ordinance. The Supplementary Use Regulations are contained in an attachment to this staff report.

Property to the north and east of the Conditional Use area is owned by one of the applicants, is zoned SF-5, and developed with agricultural uses. Property to the south is GO General Office District, is owned by one of the applicants, and is developed with Animal Care facilities. Property to the west is zoned SF-5 and is developed with a single-family dwelling and Reserve G for the Buckhead Addition.

**CASE HISTORY:** On October 25, 1994, the subject site was platted as part of the Westside Bible Chapel Addition. No other zoning cases are associated with the subject site.

**ADJACENT ZONING AND LAND USE:**

North: SF-5	Agricultural
South: GO	Animal Care
East: SF-5	Place of Worship
West: SF-5	Single-Family and Reserve G

**PUBLIC SERVICES:** The subject site has access to West Central Avenue, a paved, four-lane, two-way arterial street with sidewalks on both sides. Wichita Transit does not serve the subject site. The site is served by municipal water and sewer.

**CONFORMANCE TO PLANS/POLICIES:** The proposed Conditional Use is in conformance with the *Community Investments Plan*. The Comprehensive Plan's *2035 Wichita Future Growth Concept Map* identifies and recommends this location as "Commercial." This category is defined as "areas that reflect the full diversity of commercial development intensities and types typically found in a large urban municipality. Convenience retail, restaurants, small offices, and personal service uses are located in close proximity to, and potentially mixed with, Residential Uses. Major destination areas (centers and corridors) containing concentrations of commercial and office uses that have regional market areas and generate high volumes of traffic are located in close proximity to major arterials or highways and typically are buffered from lower density residential areas by higher density housing types." The proposed Conditional Use for Ancillary Parking for an abutting commercial use is consistent with the *Plan's* designation for this area.

The Locational Guidelines of the *Community Investments Plan* provide a framework for decision-making regarding land use changes. Under the heading "Design," Guideline 1.d encourages "Except in mixed-use development areas, non-residential uses should provide appropriate screening and buffering from residential uses." Should the request be approved, adequate screening and buffering from residential uses would be required.

**RECOMMENDATION:** Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**, subject to the following conditions:

1. The conditional Use shall adhere to all the Supplementary Use Regulations set forth in Article III-D.6.p of the Unified Zoning Code.
2. The applicant shall provide a revised site plan indicating the necessary screening and landscaping. The site plan shall be provided to the Planning Department for review and approval prior to the issuance of building permits.
3. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** Property to the north and east of the Conditional Use area is owned by one of the applicants, is zoned SF-5, and developed with agricultural uses. Property to the south is GO General Office District, is owned by one of the applicants, and is developed with Animal Care facilities. Property to the west is zoned SF-5 and is developed with a single-family dwelling and Reserve G for the Buckhead Addition.
2. **The suitability of the subject property for the uses to which it has been restricted:** The property is zoned SF-5 Single-Family Residential District, which permits single-family residences and compatible uses such as the existing Place of Worship. Ancillary Parking is permitted as a Conditional Use in SF-5 zoning subject to the Supplementary Use Regulations found in the UZC Article III-D.6.p.
3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff does not anticipate that approval of this request would have a detrimental effect on nearby properties. Ancillary Parking is allowed by Conditional Use approval and is subject to Supplementary Use Regulations, including screening which should minimize the impact on nearby properties.
4. **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** Approval of this application is not anticipated to have a detrimental impact on the public health, safety, or welfare. A denial of this request could result in a loss of rental income for the applicant.
5. **Length of time the property has been vacant as currently zoned:** A portion of the subject site is developed as a Church or Place of Worship. The portion of the subject site proposed to be developed as Ancillary Parking is developed as Agriculture.
6. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The proposed Conditional Use is not in conformance with the *Community Investments Plan* as discussed in the staff report.
7. **Impact of the proposed development on community facilities:** Staff does not anticipate any significant negative impacts to community facilities with the proposed development.
8. **Opposition or support of neighborhood residents:** Prior to the publication of the staff report, Planning staff has not received any comments regarding the request.
