- Minimum Rear Yard Setbacks (Non-Alley Side): 11.5 feet, except for adjoining a reserve where the minimum is 0 feet, provided there is 10 feet of separation between structures.
- Minimum Side Yard Setback: The minimum side yard setback shall be 0 feet, provided there is 10 feet of separation between structures. When two or more structures are attached, the minimum setback between structures shall be 0 feet. When abutting a street, the minimum side yard setback shall be 7.5 feet. When abutting an alley, the minimum side yard setback shall be 4 feet.
- Parking:**
 - Shall be in accordance with the Wichita-Sedgwick County Unified Zoning Code, Section IV-A, unless otherwise specified.
 - Each dwelling unit shall provide a minimum of one off-street parking stall.
 - On-street parking shall be allowed on a short-term or temporary basis.
 - Alley areas shall provide for unimpeded access to and from the lots, as such, parking is prohibited in the alley areas.

- Landscaping:** The requirements of the Wichita Landscape Ordinance shall not apply to single-family, two-family, or neighborhood swimming pool developments within the PUD.
- Screening:**
 - Trash receptacles shall be appropriately screened to reasonably hide them from street/alley view with fencing and/or landscaping.
 - Solid screening and landscape buffers shall be required along the north and east boundary lines when multi-family land uses directly abut residentially-zoned properties not within the PUD.
- Utilities:**
 - All new/proposed utilities shall be installed underground.
 - Alleys shall primarily be utilized for utility access except of water and gas utilities which are planned from the front.
- Signs and Entry Monuments:**
 - Signs are permitted under the current Sign Code of the City of Wichita as per TF-3 Two-Family Residential Zoning District.
 - Entry monuments and signs shall be located within reserves.
- Reserves:** Uses shall be defined at the time of final platting and shall share the same uses as allowed in TF-3 Single-Family Residential Zoning District. The reserves shall be owned and maintained by the developer, and/or a lot owner's association, and/or their successors and/or assigns.
- Flood Elevations:** Final determination of minimum pad elevations (at least 2 feet higher than the 100-year flood elevation), street right(s)-of-way, easements, and pavement widths on public-private streets shall be resolved at the time of platting. Drainage requirements and improvements shall be determined at the time of platting. If necessary, the P.U.D. development plan shall be adjusted or amended to reflect final drainage requirements.
- Transportation (Access, Streets, Alleys, and Sidewalks):**
 - Access controls shall be determined at the time of final platting and revised upon the P.U.D. accordingly. If access controls are altered after the recording of the plat by vacation case, an adjustment to the P.U.D. shall be required.
 - For Alley Lots, no vehicular access shall be permitted to the Lot except via the alley.
 - There are no existing sidewalk systems along the arterial streets (Greenwich Road and East 37th Street North). A sidewalk system is planned along looping streets connecting the residences to arterial streets.
- Title:** The transfer of the title on all or any portion of the land included in the Planned Unit Development does not constitute a termination of the plan or any portion thereof; but said plan shall run with the land for commercial development and be binding upon the present owners, their successors and assigns and amended. However, the Director of Planning, with the concurrence of the Zoning Administrator, may approve minor adjustments to the conditions in this overlay, consistent with the approved development plan, without filing a formal ordinance amendment.
- The development of this property shall proceed in accordance with the development plan as recommended for approval by the Planning Commission and approved by the Governing Body, and any substantial deviation of the plan, as determined by the Zoning Administrator and the Director of Planning, shall constitute a violation of the building permit authorizing construction of the proposed development. A notice of PUD shall be recorded with the Sedgwick County Register of Deeds office upon approval of the Governing Body.**
- Any major changes within this Planned Unit Development shall be submitted to the Planning Commission and the Governing Body for their consideration. Amendments, adjustments, or interpretations to the P.U.D. shall be done in accordance with the Unified Zoning Code.
- A certificate or Notice of PUD is required to be recorded with the Sedgwick County Register of Deeds Office upon approval of the PUD.
