STAFF REPORT
 MAPC: June 26, 2025
 CAB 3: June 10, 2025

CASE NUMBER: CON2025-00076 (County)

APPLICANT/OWNER: John C. & Audrey Roberts (Applicants)/Paul Gray Homes, LLC (Agent)

REQUEST: Conditional Use to permit an Accessory Apartment

CURRENT ZONING: SF-20 Single-Family Residential District

SITE SIZE: 8.187 acres

LOCATION: Generally located within one-half mile east of North 167th Street West and within one-half mile north of West Maple Street (16011 West Shade Street).

PROPOSED USE: Accessory Apartment.

RECOMMENDATION: Approval with conditions.

of municipal services likely will be developed in areas of the urban fringe that primarily are used for agriculture. Such development should occur in accordance with the Urban Fringe Development Standards for Wichita and Sedgwick County and should be developed in a manner that facilitates future connection to municipal services when they become available.” An Accessory Apartment on property this size should not be detrimental to neighboring properties.

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request for the Accessory Apartment be **APPROVED**, subject to the following conditions:

1. The Accessory Apartment shall remain accessory to and under the same ownership as the principal building (16011 West Shade Street) and the ownership shall not be divided or sold as a condominium.
2. Development of the site shall be in conformance with the approved site plan.
3. The applicant shall obtain all applicable permits including, but not limited to building, health, and zoning. This will include turning in plans for review and approval by the MABCD for the Accessory Apartment, if necessary.
4. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** The character of the area is low-density residential. Properties to the north, east, and west are within unincorporated Sedgwick County. Properties to the north are zoned SF-20 and RR Rural Residential District (RR) and are developed with single-family dwellings. Property to the east is zoned RR and is developed with a single-family dwelling. Properties to the south are within the City of Wichita, are zoned PUD-80 and are vacant, however are platted for residential uses. Properties to the west are zoned SF-20 and are vacant, however they are platted for residential uses.
2. **The suitability of the subject property for the uses to which it has been restricted:** The subject site is currently zoned SF-20 Single-Family Residential District, which is suitable for a single-family residence and an Accessory Apartment with an approved Conditional Use. The size of the property can easily accommodate a separate Accessory Apartment and the additional required parking space.
3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff does not anticipate that approval of the request will generate significant amounts of additional traffic and there is ample space for parking on site. The conditions of approval should minimize any potential detrimental impacts.
4. **Length of time subject property has remained vacant as zoned:** The subject property has been developed with a single-family dwelling.
5. **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** It is not anticipated that the requested Conditional Use will have an effect on the public health, safety, or welfare. Denial of the application may result in a loss of enjoyment for the applicant.
6. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The request for an Accessory Apartment is in conformance with the *Community Investments Plan*, as discussed in this staff report.
