Re: Closure of zone case file SCZ-0623 - "R-1" to "AA". Located on the east side of 127th Street East, south of Harry St.

Dear Mr. Abderhalden:

As you will recall, on August 29, 1990, the County Commission approved the above-mentioned zone change subject to platting the property within one year, or the case would be considered denied and closed. The deadline for completing the required plat was August 29, 1991. To date, a plat of the property has not been completed.

We have discussed this situation with the platting engineer for the proposed plat of Flint Hills Estates. He has advised that he has discussed this matter with you and that you do not intend to complete the plat. Therefore, we have closed the SCZ-0623 zone file.

Sincerely,

Forrest L. Nagley
