SUBJECT: Resolution 134-1982 for SCZ-0499

On May 19, 1982, the Board of County Commissioners approved zone case SCZ-0499 which established county zoning districts for areas near Kechi which had recently been brought within Wichita's 3-mile zoning ring. Two resolutions were adopted: #134-1982 and #135-1982. The second resolution was published May 31, 1982, and became effective that date. The first resolution, #134-1982, was not to be published until a plat of the property was recorded. The owner of the land, Russell Martin, was given three years in which to plat his property.

In recent months, Mr. Martin's property, which is located in the SW $\frac{1}{4}$ of 12-26S-1E, has been annexed into Kechi, zoned "I" industrial, and platted as part of Kechi Industrial Park. Therefore, all signed copies of County Resolution #134-1982 should be marked "VOID" as this property is now within Kechi and is governed by their zoning regulations.
