

RECOMMENDATION FROM METROPOLITAN AREA PLANNING COMMISSION
TO BOARD OF COUNTY COMMISSIONERS

PROPOSED AGENDA ITEMS : SCZ-0779 - Zone change from "RR" Rural Residential to "SF-20" Single-Family and "LC" Limited Commercial on 37.2 acres of property located north of 71st street South and west of Hydraulic.

PRESENTED BY: Marvin S. Krout, Director of Planning

PROPOSED AGENDA DATE: March 3, 1999

COMMISSION DISTRICT #2

Haysville PC Recommendation: Approve (8-0).

MAPC Recommendation: Approve (13-0).

Staff Recommendation: Approve.

Background/Discussion: The applicants are requesting to rezone 37.2 acres from "RR" Rural Residential to "SF-20" Single-Family (35.76 acres) and "LC" Limited Commercial (1.44 acres) on property located at the northwest corner of 71st Street and Hydraulic.

The applicants are requesting this rezoning to allow 31 single-family lots and one commercial lot. The commercial lot would be located at the intersection of 71st Street South and Hydraulic. A layout has been submitted which shows a street, approximately 880 feet north of the intersection, which loops from Hydraulic to the west where it meets Pattie Street. There are 21 single-family lots located on this street. South of this street is Hydraulic Court which is a cul-de-sac and has the remaining 10 single-family lots located on it. Hydraulic Court is approximately 275 feet north of the intersection.

There are single-family homes and vacant fields located to the north and west of this property, which is zoned "RR." South of this site is a vacant field on property zoned "RR." East of the site is also a vacant field on property zoned "RR."

The Haysville Planning Commission approved this request (8-0) at their January 14th meeting. The Salem Township Trustee attended this meeting and spoke about drainage concerns from this development, which will drain into the Salem Township. Two other individuals spoke about drainage concerns and the improvement of Pattie Avenue to a through street.

At the January 28th MAPC hearing, the applicant presented this request. The Salem

Township Trustee also spoke at this meeting about the same concerns addressed at the Haysville Planning Commission. After limited discussion about drainage issues and the connection with Pattie Avenue, the Planning Commission voted unanimously to approve this request.

- Recommended Action:
1. Adopt the findings of fact of the Metropolitan Area Planning Commission and approve the zone change subject to the condition of platting; adopt the resolution and authorize the chairman to sign; and instruct the Planning Department to withhold publication until the plat has been recorded with the Register of Deeds; or
 2. Return to the Planning Commission for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on first hearing).
