Re: V-1178 - Request to vacate that portion of Linder  
Avenue west of West Central Gardens 2nd Addition

Dear Mr. Sutherland

At the regular meeting of the Metropolitan Area Planning Commission on Thursday, April 7, 1983, the above-referenced vacation request was approved subject to the conditions recommended by the Subdivision Committee and outlined in our letter of April 4, 1983. The vacation ordinance will be prepared and this request will be scheduled for City Commission review after the associated zone case (Z-2501) has been reviewed and approved by the City Commission.

County Commission concurrence is necessary in order to complete the vacation proceedings. After the City has approved the vacation and published the ordinance, application can be made through the County. Forms for County vacation are available from the Sedgwick County Clerk.

If you have any questions about this matter, please call.

Sincerely,

Louise Olivarez  
Senior Planner
