Re: V-1174 Request to Vacate
37th Street North and a
portion of Webb Road

Dear Mr. Funk:

At the regular meeting of the Metropolitan Area Planning Commission on February 24, 1983, the above-referenced vacation request was approved subject to the conditions recommended by the Subdivision Committee and outlined in our letter of February 18, 1983. The Vacation Ordinance will be prepared and this request will be scheduled for City Commission review after all conditions in our February 18th letter have been satisfactorily completed.

County Commission concurrence is necessary in order to complete the vacation proceedings. After the City has approved the vacation and published the ordinance, application can be made through the County. Forms for County vacation are available from the Sedgwick County Clerk.

If you have any questions about this matter, please call.

Sincerely,

Louise Olivares
Senior Planner
