INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

-----  
Staff Recommendation: Approve vacation of drainage right-of-way.

MAPC Recommendation: Approve vacation of drainage right-of-way. (unanimous)

Background: This vacation has been requested in order to clear title to an existing house which has been found to encroach the platted drainage right-of-way. City Engineering and the Utility Advisory Committee have indicated that no adverse effects should result from the vacation. The applicant has also provided a dedication for a replacement drainage easement in the same general area. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Action: Close public hearing, approve vacation and adopt dedication; authorize the Mayor to sign the Vacation Order; and record certified copy of Order and dedication, recording costs to be billed to:
