Staff Recommendation: Approve vacation of street right-of-way.

MAPC Recommendation: Approve vacation of street right-of-way. (unanimous)

Background: The City's Land Management Division has assisted the applicant in this vacation request. The City Engineer's Office has also supported this vacation. The applicant has agreed to pave the remaining, portion of Sheridan extending south from McCormick along with providing a cul-de-sac at the street's terminus. The Utility Advisory Committee has supported the vacation provided the right-of-way is retained as a utility easement. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Action: Close public hearing, approve vacation; authorize the Mayor to sign the Vacation Order; and record certified copy of Order, recording costs to be billed to:
