-----  
Staff Recommendation: Approve Vacation of drainage and utility easement.

MAPC Recommendation: Approve vacation of drainage and utility easement.  
(unanimous)

Background: The owner of the two adjoining lots involved in the vacation, desires to build a home across the common lot line. The Utility Advisory Committee and City Engineering have indicated that the easement is not needed for existing or future utilities and drainage. Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Action: Close public hearing; approve vacation; authorize the Mayor to sign the Vacation Order; and record certified copy of Order, recording cost to be billed to:
