

Planning Agenda Item # _____

City of Wichita
City Council Meeting
June 15, 1993

Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: V- 1812; Request to vacate a utility easement, generally located north of Wassall and east of Hydraulic. (District #3).

INITIATED BY: Metropolitan Area Planning Department

McKrodt

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation.

MAPC Recommendation: Approve vacation (unanimous).

Background: This is the vacation of a utility easement. This lot was platted with a blanket utility easement in the rear yard, as were adjacent lots. A similar vacation request was approved for the adjacent lot to the north. Applicant has requested the vacation of that portion of utility easement not being utilized by the City or utility companies in order to build a detached garage for his single-family house. Staff and MAPC have recommended approval because, upon examination by Staff and utility company representatives, reducing the blanket easement in width would provide applicant with sufficient area to build the garage, and would still provide existing and anticipated utilities with sufficient protections.

This vacation has been reviewed and approved by the Planning Commission, subject to conditions and recording within 30 days.

RECOMMENDATIONS/ACTIONS:

Close the public hearing, approve the vacation; authorize the Mayor to sign the Vacation Order; record the certified copy of the Order, recording costs to be billed to:

150029-2909.
