Re: V-1943 Request to vacate access control

Dear Mr. Chuzy:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission, Thursday, January 4, 1996, the above-captioned vacation request was considered. The action of the Committee was to recommend that this vacation be approved subject to:

- A. The applicant shall guarantee a decel lane from the south line of Lot 12, Block 1 of this Addition, northward to the existing decel lane serving the existing development at this site. If the applicant does not provide such a guarantee, the applicant is advised that access to these lots should be pursued through a partial paving of Wassal as needed to provide such access.
- B. The vacation order shall retain access control, except for one (1) opening to Rock Road for each of the involved lots.
- C. The applicant shall be responsible for the relocation or reconstruction of any utilities made necessary by this vacation.

This matter will be forwarded to the Planning Commission for its consideration on Thursday, January 11, 1996 at 1:30 p.m. If you have any questions, please call - 268-4459.

Sincerely,

Lawrence P. Mitchell
Senior Planner
