STREET, BETWEEN MINNEAPOLIS AND PIATT,
(District #1)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

Staff Recommendation: approve vacation of building setback and utility easement.

MAPC Recommendation: Approve vacation of building setback and utility easement.
(unanimous)

Background: The applicants purchased this property and discovered during the survey that one of the buildings encroached 5 feet into a 25 foot platted building setback and another building encroached 4 feet into a platted utility easement. Neither condition resulted in problems with any existing operation.

The Subdivision Committee and MAPC both approved the vacation, subject to the owner paying for any expenses incurred if any utilities must be relocated. No members of the public addressed the MAPC in opposition to this request.

Recommendations/Actions: Close the public hearing, approve the vacation; authorize the Mayor to sign the Vacation Order; and record the certified copy of the Vacation Order; recording costs to be billed to: 150029-2909
