Agenda Report No.

TO: Mayor and City Council

SUBJECT: VAC2003-00019 REQUEST TO VACATE BYRON AVENUE LOCATED
SOUTHWEST OF THE TYLER ROAD - KELLOGG (US 54) INTERSECTION.
(District IV)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning

Staff Recommendation: Approve

MAPC Recommendation: Approve (unanimous)

Background: The applicants are requesting to vacate the Byron Street right-of-way, south of Kellogg/US-54, for the future development as a parking lot. Reversion rights would be to the abutting properties, all in the Westport Addition, which was recorded May 28, 1953.

Analysis: Byron Street is an unimproved ROW, at this location, that dead ends into Reserve A of the Westport Addition and has uncontrolled access onto Kellogg Drive. The ROW is 65.7-foot wide and 250-foot deep. A portion of Byron north of Kellogg to Dubon Street was previously vacated, V-1102, which prevents Byron from being a through ROW across Kellogg. Byron abuts a drainage easement on its south side, which abuts Railroad ROW, all of which appears to prevent any development south of Byron. Property south of Byron has access off of Tyler to the east.

A portion of this section of Byron was proposed to be vacated, V-1483, but denied by the WCC on 07-26-1988. At that time future plans for improvements to the Kellogg - Tyler Road interchange required a need for additional but undetermined ROW off of Byron. This undetermined need made the request for vacation premature and thus the denial. Drainage and utilities were in the ROW at that time and remain in the ROW now.

No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order. No written protests have been filed.

Financial Considerations: None.

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds, Retain that a portion of the vacated street ROW as a utility and drainage easement as described in the approved survey

Recommendation/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the necessary signatures.
