Agenda Report No. _____

TO: Mayor and City Council

SUBJECT: VAC2004-00011 Request to vacate a portion of a platted building setback and drainage and utility easement, generally located midway between 21st Street North and 29th Street North, east of Woodlawn Boulevard, more specifically southeast of the 25th Street North – Mainsgate Street intersection, 2609 and 2611 Cameron. (District I)

INITIATED BY: Metropolitan Area Planning Department *DM for JLS*

AGENDA: Planning (Consent)

Staff Recommendation: Approve.

MAPC Recommendation: Approve. (unanimous)

Background: The applicant is requesting consideration for the vacation of the west 3-feet of the north 26.5-feet of the platted 20-foot drainage/utility easement – setback that runs parallel to the east property line of Lot 8, Block 1, The Village at Waterford Addition. The Village at Waterford Addition was recorded with the Register of Deeds August 13, 1993.

Analysis: The applicant proposes the vacation of the easement/setback to remove the house's overhang of the roof out of the platted easement/setback. There is no sewer in the platted easement, but there is water in it. Public Works and Storm Water have approved the vacation request. No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation. No written protests have been filed.

Financial Considerations: None

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds

Recommendation/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the necessary signatures.
