LAND SURVEYOR

Know all men by these presents that we,
the undersigned, have caused the land in the surveyors certificate
to be platted into a Lot, a Block, and Streets to be known as
"BURBANK ADDITION", Sedgwick County, Kansas. The utility easements
are hereby granted as indicated for the construction and maintenance
of all public utilities. The streets are hereby dedicated to and for the
use of the public. All abutters rights of access to or from 21st
Street North over and across the north line of Lot 1, Block 1, are
hereby granted to the appropriate governing body provided, however,
that said Lot 1, Block 1, shall have access to 21st Street North
at two locations over all except the west 100 feet of the north
line of said Lot 1, Block 1, as shall be determined by the Engineer
for the appropriate governing body. All abutters rights of access
to or from 167th Street West over and across the west line of
Lot 1, Block 1, are hereby granted to the appropriate governing
body provided, however, that said Lot 1, Block 1, shall have access
to 167th Street West at one location over all except the north
100 feet of the west line of said Lot 1, Block 1, as shall be
determined by the Engineer for the appropriate governing body,
(subject to the contingency that in the event 167th Street West
is constructed to an expressway or better standard, the one
access opening shall be vacated).

Re: S/D 97-27 - BURBANK ADDITION (One-Step, Preliminary-Final Plat)

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on May 15, 1997, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of May 12, 1997.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council and/or County Commission for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.
3. Subdivision regulations now require a detailed Lot Grading Plan be submitted to Engineering prior to the tracing being released. This applies to all multi-lot and residential developments.

Please call if you have any questions.

Sincerely,

Dale Miller

Re: S/D 97-27 - BURBANK ADDITION (One-Step, Preliminary-Final Plat)

Gentlemen:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on Thursday, May 8, 1997, the above captioned plat was considered. The action of the Committee was to recommend that this plat be approved subject to:

- A. Health Department requests the applicant to file a covenant that states that if the use on the property generates effluent in excess of 750 gallons per day, the property owner will seek additional permit review and approval by KDHE or City-County Health.

The applicant will submit test result from one on-site bore test.

- B. The applicant shall guarantee any drainage improvements required by the platting of this property.
- C. City Engineering indicates no petitions for the future extension of municipal water and sanitary sewer need to be provided at this time.
- D. A petition for a left turn lane should be provided for 21st Street.
- E. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- F. On the final plat tracing, text indicating access control, except for one opening subject to the contingency that in the event 167th Street is constructed to an expressway or better standard, the access point would be vacated. Also, on the final plat tracing, the dimension for the areas of access control shall also be shown on the face of the plat.

Access control, except for two (2) openings shall be shown along 21st Street.

- G. A building setback of 100 feet from the right-of-way lines for 167th Street should be shown with 35 feet of setback for 21st Street.
- H. In the plat binder, two (2) easements are indicated by separate instruments for the benefit of entities not typically considered as users of platted easements. If these easements in any way impact (are located on) this site, such easements shall be shown, labeled and recording information shown. If not on the site, the applicant's agent shall provide documentation showing that easements are off-site.
- I. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations. (Water service and fire hydrants required by Article 8 for fire protection shall be as per the direction and approval of the Chief of the Fire Department.)
- J. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- K. The applicant is advised that various State and Federal requirements [specifically but not limited to the Army Corps of Engineers, Kanopolis Project Office, Rt. 1, Box 30, Marquette, KS 67464 (913-546-2294) or Kansas Department of Wildlife and Parks, P. O. Box 317, Valley Center, KS 67147] for the control of soil and wind erosion and the protection of wetlands may impact how this site can be developed. It is the applicant's responsibility to contact all appropriate agencies to determine any such requirements.
- L. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- M. Recording of the plat within thirty (30) days after approval by the City Council and/or County Commission.
- N. The representatives from County Engineering indicates the applicant's drainage plan has been approved.
- O. Southwestern Bell indicates the applicant needs to acknowledge their easement.

Note: This plat is a one-step plat and, if approved, will be placed on the next MAPC scheduled meeting date.

If this plat requires the guaranteeing of improvements a list of the five methods which have been adopted as being acceptable is available through the Planning Department. Also, certificates which are required if petitions are submitted and forms for the bond and irrevocable Letter of Credit are also available from this office.

The enclosed "marked" copy of the final plat is for your information and files.
