Know all men by these presents that we, the undersigned, have caused the land described in the surveyors certificate to be platted into Lots, a Blocks and Street to be known as "FREUND ADDITION", Sedgwick County, Kansas. The Street is hereby dedicated to and for the use of the public. The Drainage and Utility easements are hereby granted for the construction and maintenance of all public utilities and for drainage purposes. The Floodway Reserve Easement is hereby reserved for floodway reserve purposes and shall be the responsibility of the owners of Lots 1 and 2, Block A, "FREUND ADDITION", until such time as the appropriate governing body elects to assume the responsibility for maintenance and improvements to the drainage. No buildings shall be constructed or placed on or within said Floodway Reserve. There shall not be any fill, change of grade, creation of channel, or any other work carried on in said Floodway Reserve without the permission of the Engineer for said appropriate governing body. A drainage plan has been developed for this plat and all drainage easements, rights-of-way, or reserves shall remain at established grades, or as modified with the approval of the appropriate governing Engineer, and unobstructed to allow for the conveyance of stormwater. Access Control is hereby granted to the appropriate governing body and is as shown on face of the plat. Minimum Pad Elevation for Lowest Opening is 1365 NAVD 88.

* FEMA Floodplain and regulatory floodway boundaries are subject to periodic change and such change may affect the intended land use within the subdivision.
