Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: CUP2003-00050 (DP-78 Amendment #3) and ZON2003-00048 – Extension of time to complete the platting requirement for an amendment to The Moorings Community Unit Plan (CUP) and a zone change from “SF-5” Single Family Residential to “LC” Limited Commercial. Generally located north of K-96/I-235 and west of Meridian. (District VI)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning (Consent)

Recommendation: Approve extension of time to complete platting.

Background: On November 18, 2003, the City Council approved an amendment to The Moorings Community Unit Plan and a zone change from "SF-5" Single Family Residential to "LC" Limited Commercial for approximately 14 acres located north of K-96/I-235 and west of Meridian. Approval was subject to the condition of platting the property within one year. The platting deadline is November 18, 2004, and the applicant has filed The Moorings South Addition to meet the platting requirement. The applicant has requested an extension of time to complete the plat to November 18, 2006.

Analysis: Staff recommends that an extension of time to complete platting requirements be granted. The City Council may deny the request for an extension of time to complete platting, but denying the extension would declare the CUP and zone change null and void and would require reapplication and rehearing for the proposed CUP and zone change.

Financial Considerations: None.

Legal Considerations: No legal documents are required to enact the granting of a platting extension. The granting of a platting extension is indicated via letter to the applicant noting the extended platting deadline as granted by the City Council.

Recommendations/Actions: Approve extension of time to complete platting to November 18, 2006.
