City of Wichita
City Council Meeting
March 3, 1998

Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-3260 - MOBILE MANOR, INC. C/O RICHARD J. PECKHAM (PROPERTY OWNER/APPLICANT); MARK SAVOY, SAVOY, RUGGLES & BOHM (AGENT), REQUEST ZONE CHANGE FROM "SF-6" SINGLE-FAMILY RESIDENTIAL AND "LC" LIMITED COMMERCIAL, TO "MH" MANUFACTURED HOUSING AND "GC" GENERAL COMMERCIAL, LOCATED SOUTH OF MACARTHUR, EAST OF MERIDIAN,
(DISTRICT #4)

INITIATED BY: Metropolitan Area Planning Department 

AGENDA ACTION: Planning

MAPC Recommendation: Approve, subject to platting within one year and the additional provisions of a (P-O) Protective Overlay (12-0).

CPO Recommendation: Approve, subject to platting within one year and the additional provisions of a (P-O) Protective Overlay (8-0).

Staff Recommendation: Approve, subject to platting within one year and the additional provisions of a (P-O) Protective Overlay.

Background: The applicant requests a zone change from "LC" Limited Commercial and "SF-6" Single-Family Residential to "MH" Manufactured Housing and "GC" General Commercial on an unplatted 16.46± acre site (9.62± acres of "MH" zoning and 6.84± acres of "GC" zoning) located east of Meridian and south of MacArthur for the expansion of the Mobile Manor mobile home park and the development of a self-storage/open storage facility.

The preliminary layout plan submitted for this case (attached) shows access to the proposed mobile home park expansion from an existing internal collector street serving the Mobile Manor site. The plan shows three streets (two ending with hammerhead turnarounds) serving 54 spaces averaging approximately 5,400± square feet. The illustration shows one of the streets stubbing out to the west in order to provide an emergency access point along Meridian, with no direct access to the park. There is an area at the northeast corner of the application area for the location of a storm shelter and open space.

The concept plan (copy attached) shows several enclosed storage buildings arranged in the east and north portion of the commercial site, and a semi-enclosed storage building along the west property line with open storage in the center. There is a 35 foot building setback line along the MacArthur frontage and the Meridian frontage. There will be a 6 to 8 foot tall masonry screening wall around the commercial development. Access to the storage area is also from the existing park's street system.

To the east is the Mobile Manor South Park (Mobile Manor South Addition zoned in October of 1982 and platted in March of 1984), currently zoned "MH" Manufactured Housing. There are two single-family homes located south of the application area on property zoned "SF-6", with the balance of that 40 acres remaining undeveloped. There is a single-family residence located across Meridian to the west at the southwest corner of the intersection on property zoned "LC" Limited Commercial (typical 600' by 600' "LC" corner). The balance of 20 acres across Meridian is undeveloped, and is zoned "SF-20". To the north of the subject property is a Quiktrip zoned "LC", and across MacArthur are two mobile home parks zoned "MH".

After limited discussion during the January 29, 1998 MAPC meeting, the commission voted (12-0) to approve the request subject to the conditions of a Protective Overlay regulating the development of the storage use, as recommended by staff. Due to minor changes in the P-O this matter was returned to CPO(4) for further consideration, however there were no additional comments offered. There have been no protest petitions filed for this case.

Recommendation:

1. Concur with the findings of the MAPC and approve the zone change, subject to the additional recommended provisions of a Protective Overlay District and subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on the first hearing.)

STAFF REPORT
MAPC December 15, 2016
DAB IV December 5, 2016

CASE NUMBER: ZON2016-00058

OWNER/APPLICANT: Mobile Manor, Inc. (owner/applicant) and ES Development Midwest (buyer/applicant) Kaw Valley Engineering, Tim Austin (Agent)

REQUEST: Amend Protective Overlay #35 to clarify applicability of provisions and increase signage

CURRENT ZONING: GC General Commercial

SITE SIZE: Approximately 6.6-acres

LOCATION: Generally located at the southeast corner of South Meridian Avenue and West MacArthur Road

PROPOSED USE: Retail and other limited commercial uses

BACKGROUND: The subject site, Lot 1 except the South 15 feet, Mobile Manor South 2nd Addition, is zoned GC General Commercial with a Protective Overlay #35. The applicant is requesting an amendment to PO #35 (see attached) to amend Provision #1 and add Provision #13 as follows:

1. Provision 1. *“If developed as a self-storage facility, the applicant shall develop the site according to the site plan. The landscape plan shall also provide for a landscaped front yard with a minimum depth of 20 feet along both Meridian and MacArthur and in accordance with the following conditions 2 through 11.”*
2. **Provision 13.** *“If developed for any use other than self-storage, three identification signs in accordance with the LC zoning district be allowed.”*

North and west of the subject site is an LC zoned lot developed with a retail store. MH Manufactured Housing zoning districts are located to the north, east and south of the subject site. The property to the west is zoned LC and is currently used for agricultural purposes and has some building improvements on the property.

CASE HISTORY: Mobile Manor South 2nd Addition was recorded with the Sedgwick County Register of Deeds June 15, 1999. Z-3260 and PO #35 were approved by Wichita City Council in March 1998.

ADJACENT ZONING AND LAND USE:

NORTH: MH, LC	South Meridian Mobile Home Park, Retail Store
SOUTH: MH	MacArthur Place Mobile Home Park
WEST: LC	Retail Store, Agricultural use with farm building improvements
EAST: MH	MacArthur Place Mobile Home Park

PUBLIC SERVICES: The site has access to MacArthur and Meridian. MacArthur and Meridian are paved, four-lane arterials with a center turn lane. All public utilities are available to serve the site.

CONFORMANCE TO PLANS/POLICIES: The adopted Wichita-Sedgwick County Comprehensive Plan, *the Community Investments Plan*, identifies the site as being located within the Wichita Urban Growth Area and the South Wichita/Haysville Neighborhood Plan. The Future Growth Concept Map identifies the area as New Residential. New Residential Growth will likely be developed or redeveloped by 2035 as predominately residential with pockets of major institutional and commercial uses. Locational guidelines further encourage infill development that maximizes public investment in existing infrastructure along arterial streets.

RECOMMENDATION: Based on the information available prior to the public hearing, MAPD staff recommends the application be APPROVED, subject to the following amended provisions to PO #35:

1. Provision 1. *“If developed as a self-storage facility, the applicant shall develop the site according to the site plan. The landscape plan shall also provide for a landscaped front yard with a minimum depth of 20 feet along both Meridian and MacArthur and in accordance with the following conditions 2 through 11.”*
2. **Provision 13.** *“If developed for any use other than self-storage, three identification signs in accordance with the LC zoning district be allowed.”*

This recommendation is based on the following findings:

- (1) **The zoning, uses and character of the neighborhood:** North and west of the subject site is an LC zoned lot developed with a retail store. MH Manufactured Housing zoning districts are located to the

north, east and south of the subject site. The property to the west is zoned LC and is currently used for agricultural purposes and has some building improvements on the property.

- (2) **The suitability of the subject property for the uses to which it has been restricted:** The proposed uses are permitted by right in the zoning district and the amendment to PO #35 would permit additional signage for commercial use.
- (3) **Extent to which removal of the restrictions will detrimentally affect nearby property:** The requested amendment to PO #35 allows the area to be developed with commercial and residential uses in addition to self-storage uses abutting MH and LC zoned property.
- (4) **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** Approval of the request would allow duplex and commercial development between LC and MH.
- (5) **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The adopted Wichita-Sedgwick County Comprehensive Plan, *the Community Investments Plan*, identifies the site as being located within the Wichita Urban Growth Area and the South Wichita/Haysville Neighborhood Plan. The Future Growth Concept Map identifies the area as New Residential. New Residential Growth will likely be developed or redeveloped by 2035 as predominately residential with pockets of major institutional and commercial uses. Locational guidelines further encourage infill development that maximizes public investment in existing infrastructure along arterial streets.
- (6) **Impact of the proposed development on community facilities:** All services are in place and any increased demand on community facilities can be handled by current infrastructure.
