Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: CUP2003-15, CUP2003-16, ZON2003-16, & ZON2003-18 – Extension of time to complete the platting requirement for DP-264 Louis Development Residential and Commercial Community Unit Plan (CUP) and a zone change from “SF-5” Single Family to “LC” Limited Commercial. Generally located north of 13th Street North and east of 135th Street West. (District V)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA ACTION: Planning (Consent)

Staff Recommendation: Approve six-month extension of time to complete platting.

Background: On June 3, 2003, the City Council approved the creation of DP-264 Louis Development Residential and Commercial CUP and a zone change from "SF-5" Single-Family Residential to "LC" Limited Commercial on approximately 20 acres generally located north of 13th Street North and east of 135th Street West. Approval of the request was subject to the condition of platting the property within one year. A six-month extension of time to complete platting subsequently was granted by staff to allow additional time to prepare the required plat. A plat for the property was approved by the Metropolitan Area Planning Commission (MAPC) on July 29, 2004. The extended platting deadline was December 3, 2004; however, the applicant indicates in the attached letter from their agent that additional time is needed to address some deed description problems with the owners and the title company. Therefore, the applicant has requested an additional six-month extension of time to complete platting. Such an extension of time to complete platting requires City Council approval.

Analysis: Staff recommends that an extension of time to complete platting requirements be granted to June 3, 2005. The City Council may deny the request for an extension of time to complete platting. Denying the extension would declare the CUP and zone change null and void and would require reapplication and rehearing if the property owner still desired a CUP and zone change.

Financial Considerations: None.

Legal Considerations: No legal documents are required to enact the granting of the platting extension. The granting of a platting extension is indicated via letter to the applicant noting the extended platting deadline as granted by the City Council.

Recommendations/Actions: Approve extension of time to complete platting to June 3, 2005.
