

City of Wichita
City Council Meeting
May 21, 2013

TO: Mayor and City Council

SUBJECT: ZON2013-00004 – City zone change from SF-5 Single-Family Residential (“SF-5”) to TF-3 Two-Family Residential (“TF-3”); generally located on the southwest side of Zoo Boulevard and Illinois Street, south of 10th Street North. (District VI)

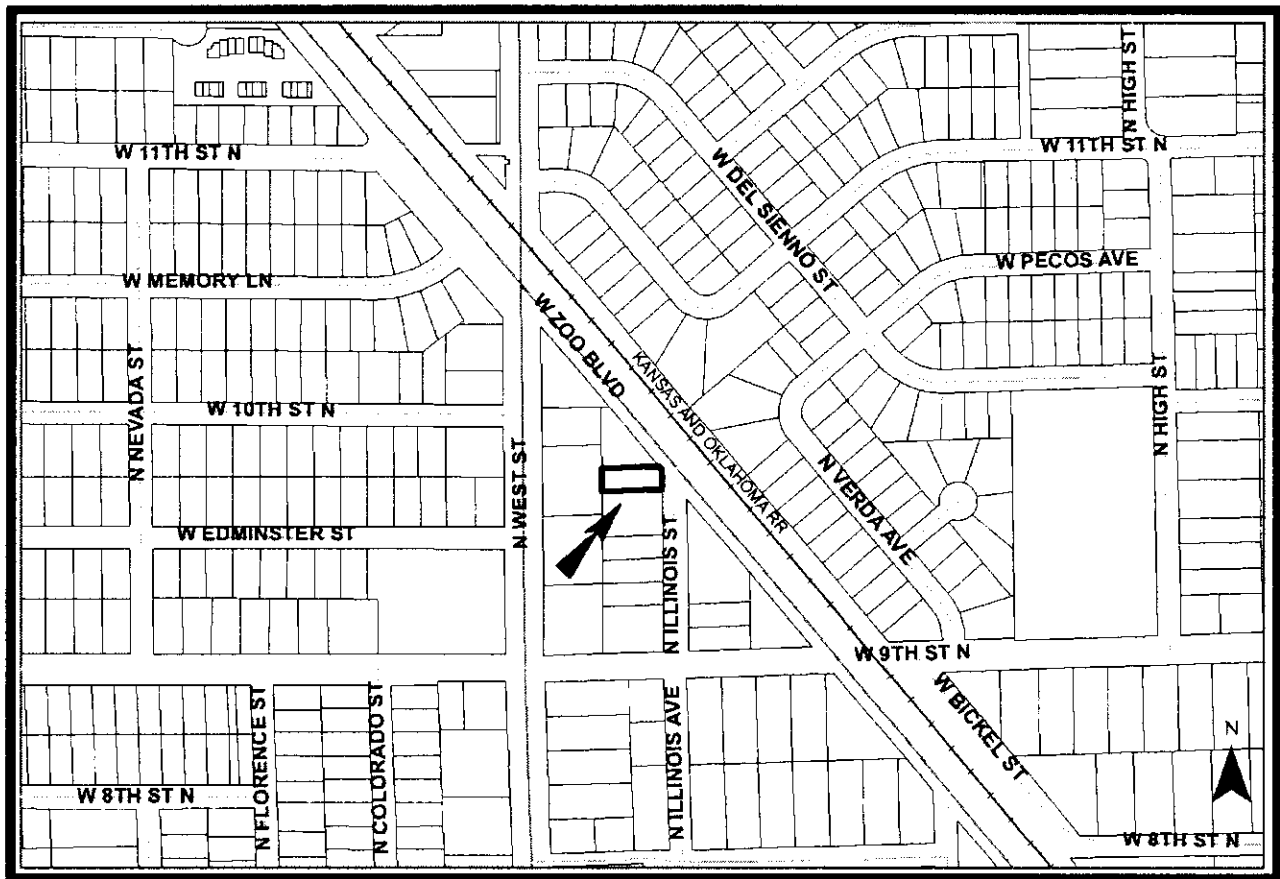

INITIATED BY: Metropolitan Area Planning Department *JWS*

AGENDA: Planning (Consent)

MAPC Recommendation: Approve, as a consent item (9-0).

DAB VI Recommendation: Approve (unanimously)

MAPD Staff Recommendation: Approve.

Background: The applicant is requesting TF-3 Two-Family Residential (“TF-3”) zoning on the SF-5 Single-Family Residential (“SF-5”) zoned Lot 2, Block 5, Golden Gardens Addition. The applicant proposes to develop the site, located on the southwest side of Zoo Boulevard and Illinois Street, with a duplex. There is a garage on the site which may or may not stay on the site. A garage without a residence located on the site is a storage warehouse, which is not a permitted use for the SF-5 or TF-3 zoning district. Per the Unified Zoning Code (“UZC”), the TF-3 zoning district requires a minimum lot size of 6,000-square feet with a minimum width of 35 feet for a duplex. The applicant’s 9,454-square foot (60-foot – 49.5-foot/13-foot x 160-foot) site exceeds these minimum requirements.

The SF-5 site is located on the short, irregular shaped block of unimproved Illinois Street. Illinois intersects at an angle with the arterial street Zoo Boulevard on its north side and the collector street, 9th Street on its south side. The front yard of the site is exposed to the vehicular traffic traveling on the northwest – southeast Zoo Boulevard. The site’s block is a mix of SF-5 zoned single-family residences (1920-1986) and an outdoor playground for a daycare and B Multi-Family Residential (“B”) zoned four-plexes (1940) and a parking lot for a DER or Tavern. Abutting or adjacent to the west of the site are LC Limited Commercial (“LC”) zoned tire sales, retail, office strip, day care and a DER or Tavern. North of the site and across Zoo Boulevard, a section of the City’s bike path and rail road right-of-way are TF-3 zoned single-family residences.

Analysis: At the MAPC meeting held April 18, 2013, the MAPC voted (9-0) to approve the request as a consent item. At the DAB VI meeting held May 6, 2013, the DAB voted, unanimously, to approve the requested zoning. There were no citizens who spoke against the request at the MAPC or DAB meetings. Planning has received no phone calls protesting the request. There have been no valid protest petitions filed with the City Clerk.

Financial Considerations: There are no financial considerations in regards to the zoning request.

Legal Considerations: The ordinance has been reviewed and approved as to form by the Law Department.

Recommendation/Actions: It is recommended that the City Council adopt the findings of the MAPC and approve the zone change, authorize the Mayor to sign the ordinance and place the ordinance on first reading (simple majority required).
