Background: The applicant proposes to rezone all or parts of multiple SF-5 Single-Family Residential (SF-5) and TF-3 Two-Family Residential (TF-3) zoned lots to LC Limited Commercial (LC). The requested LC zoning will allow the applicant to expand his flooring and carpet (retail) business located a block east of Waco Avenue, on the south side of Harry Street, between South Wichita Street and South Water Street. The subject site is a mixture of vacant land and vacant buildings.

The subject site has SF-5 and TF-3 zoned single-family residences (built 1900-1920s) abutting its south side. SF-5 and LC zoned single-family residences, a church parking lot and an auto repair garage are located east and west of the site, across South Water Street and South Wichita Street. The applicant's current LC zoned business and properties abut the north side of the subject site.

Analysis: At the District Advisory Board (DAB III) meeting held September 4, 2013, the DAB voted, unanimously (6-0), to approve the requested LC zoning. At the Metropolitan Area Planning Commission (MAPC) meeting held September 12, 2013, the MAPC voted (11-0-1) to approve the requested LC zoning. There were no citizens who spoke against the request at the MAPC or DAB meetings. Planning has received no phone calls protesting the request. There have been no valid protest petitions filed with the City Clerk.

Financial Considerations: There are no financial considerations in regards to the zoning request.

Legal Considerations: The ordinance has been reviewed and approved as to form by the Law Department.
