City Council Meeting
April 5, 2015

TO: Mayor and City Council
SUBJECT: ZON2016-00002 – City Zone Change from General Commercial to Limited Industrial on Property Generally Located North of East Central Avenue on the East Side of North Hydraulic Avenue (District I)
INITIATED BY: Metropolitan Area Planning Department *DM*
AGENDA: Planning (Consent)

MAPC Recommendation: The MAPC recommended approval of the request (11-0).

DAB Recommendation: District Advisory Board I recommended approval of the request (9-0).

MAPD Staff Recommendation: The Metropolitan Area Planning Department staff recommended approval of the request.

Background: The applicant is requesting LI Limited Industrial (LI) zoning on the 0.46-acre, platted GC General Commercial (GC) zoned site located north of East Central Avenue, on the east side of North Hydraulic Avenue. The applicant owns the north abutting LI zoned property and the machine shop (United Machine, built 1965, 1991) located on it that manufactures aircraft parts. The manufacturing of aircraft parts fits into the Unified Zoning Code's (UZC) definition of "general manufacturing"; UZC, Sec.II-B.8.e. The LI zoning district permits general manufacturing by right; UZC, Sec.III-B.20.b.4. The proposed LI zoning will allow the applicant to expand the machine shop operation onto the subject site, without the restrictions imposed by the GC zoning district; UZC, Sec. III-D.6.n.; "...the entire frontage of the ground floor along the principal Street frontage is used for office space, display or wholesale or retail sales." The subject site has a vacant building (built 1953) located on it that was previously used as a gymnastic venue.

This portion of Hydraulic Avenue, between Central Avenue and Murdock Avenue, is a mix of LI and GC zoned mostly small to medium size businesses including, but not limited to: office-warehouses, a medium-large office-warehouse (built 1955, 1980, 1990, 2011, 2014), a medium-large commercial printer (built 1951, 1957, 1961, 1963, 1970, 2000) , a wholesale flooring office-warehouse (built 1985), a small body and paint shop with vehicles stored/parked outdoors, a granite sales office-warehouse (built 1950, 1960, 1975), undeveloped land, a Dog and Shake fast food restaurant (built 1978), a small free standing retail building (1980), a small commercial strip building, the applicant's vacant building and the applicant's machine shop.

Analysis: On February 18, 2016, the Metropolitan Area Planning Commission (MAPC) considered and approved (11-0) the requested LI zoning. There were no protesters at the MAPC meeting. Planning staff has not received protests to the request.

On March 7, 2016, District Advisory Board (DAB) I considered and approved (9-0) the requested LI zoning. There were no protesters at the DAB I meeting.

Financial Considerations: Approval of this request will not create any financial obligations for the City.

Legal Considerations: The Law Department has reviewed and approved the ordinance as to form.

Recommendation/Actions: It is recommended that the City Council concur with the findings of the MAPC, approve the zoning and place the ordinance on first reading (simple majority of four votes required).
