Re: S/D 91-57 Towne Parc 4th Addition

Dear Greg:

At the regular meeting of the Metropolitan Area Planning Commission on December 5, 1991, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of November 27, 1991.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.
3. Subdivision regulations now require a detailed Lot Grading Plan be submitted to Engineering prior to the tracing being released. This applies to all multi-lot and residential developers.

Please call if you have any questions.

Sincerely,

Don Losew
Senior Planner

- M. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- N. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-946-4527) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- O. On the final plat tracing the MAPC signature block shall be amended to indicate Christoper J. Goebel as chairman.
- P. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- Q. Recording of the plat within 30 days after approval by the City Council.

STAFF COMMENTS:

- A. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted.
- B. The applicant shall guarantee the extension of City water to serve the lots being platted.
- C. The applicant shall guarantee the paving of the proposed interior streets. This guarantee shall also provide for sidewalks being constructed along the east side of Linden.
- D. The applicant shall guarantee any drainage improvements required by the platting of this property.
- E. The applicant shall guarantee construction of the storm sewers required by this plat.
- F. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- G. In order to allow for the lot sizes being platted, the applicant has filed for annexation to Wichita. This plat will not be scheduled for City Council review until annexation has occurred.
- H. The applicant shall grant by separate instrument, temporary culs-de-sac for the termination of West Parkway and Linden. This instrument shall indicate that the temporary dedications will expire upon the extension of each street into subsequent developments.
- I. Although it does not appear that the 20 foot utility and drainage easements shown between Lots 4 and 5 and Lots 11 and 12, Block 1, are intended for sanitary sewer the applicant shall confirm with City Engineering if a 20-foot easement would be acceptable if the easements are intended for such uses.
- J. The applicant shall submit an avigational easement covering all of subject plat and a restrictive covenant assuring that adequate construction methods will be used to minimize the effects of noise pollution in the habitable structures constructed on subject property.
- K. The final plat tracing shall indicate the utility easements requested by K.G. & E. and Southwestern Bell.
- L. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
