STAFF COMMENTS:

- A. As was requested by the City Council, the applicant shall meet with the Midtown Citizen's Association to discuss the type of landscaping to be provided along Waco, adjacent to this plat. This landscaping plan shall be submitted to the Planning Department, however, for its review and approval.
- B. Since the zone change was approved to allow an expansion of the existing building northward, and along the line of the existing building, the final plat tracing may indicate a setback from Waco of less than 35 feet in the area of this planned expansion.
- C. Prior to this plat being scheduled for City Council review, the building encroaching on the alley dedication at the north end of the site shall be removed from the area of alley right-of-way. A letter shall be provided to Planning for the plat file indicating that these buildings have been moved or removed. The area at the center portion of the plat, where an existing shed is located may be indicated as a contingent alley dedication.
- D. On the final plat tracing the MAPC signature block shall indicate George D. Sherman as Chairman (delete Acting).
- E. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- F. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
