Re: S/D 89-36 - CAMBRIDGE ESTATES (formerly, Summerfield
III), located in an area south of Maple, west of Maize
Road.

Dear Mr. Wiley:

At the regular meeting of the Metropolitan Area Planning Commission on August 3, 1989, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of July 28, 1989.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platlor.
3. Certification that all real estate taxes for 1988 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

R. Timothy Bickhaus
Associate Planner

- L. For those reserves being platted for drainage purposes, the required covenant which provides for ownership and maintenance of the reserves shall grant, to the City, the authority to maintain the drainage reserves in the event the owner(s) fail to do so. The covenant shall provide for the cost of such maintenance to be charged back to the owner(s) by a method similar to special assessments.
- M. On the final plat tracing, complete access control shall be indicated to Taft, across the south line of Lots 17, 18 and 19, Block 2.
- N. On the final plat tracing the centerline of Maple shall be labeled.
- O. It should be noted that the street names proposed for this plat, have been carefully selected so as to utilize existing street names.
- P. In order to more specifically identify the minimum building pad elevation involved, the final plat tracing shall note if the elevations referenced for each lot or lots, involves a minimum opening or ground floor elevation.
- Q. The final plat shall indicate the utility easements requested by Southwestern Bell which are indicated on the enclosed "marked" copy of the plat. The easements requested by K.G. & E. during review of the preliminary plat shall also be indicated.
- R. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- S. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-946-4527) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- T. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- U. Recording of the plat within 30 days after approval by the City Council.
- V. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.

STAFF COMMENTS:

- A. Since this plat proposes single-family development, the applicant shall submit a letter requesting that the residential community unit plan (DP-185), zone change request from AA to A and BB (Z-2919), and the proposed plat SUMMERFIELD III (S/D 88-85) case files be marked closed.
- B. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted.
- C. The applicant shall guarantee the extension of City water to serve the lots being platted.
- D. The applicant shall guarantee any drainage improvements required by the platting of this property.
- E. The applicant shall guarantee construction of the storm sewers required by this plat.
- F. The applicant shall guarantee the paving of the proposed interior streets.
- G. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- H. It is noted that the applicant desires to plat a 20-foot front yard building setback on all residential lots within this plat.
- I. The applicant shall submit a covenant which provides for four (4) off-street parking spaces per dwelling unit on each lot which abuts a 58-foot street. The covenant shall inventory the affected lots by lot and block number and shall state that the covenant runs with the land and is binding on future owners and assigns.
- J. Provisions shall be made for ownership and maintenance of the proposed reserves. The applicant shall either form a lot owners' association prior to recording the plat or shall submit a covenant stating when the association will be formed, when the reserves will be deeded to the association and who is to own and maintain the reserves prior to the association taking over those responsibilities.
- K. The covenant creating the lot owner's association shall obligate the association to maintain walls constructed in the wall easements and to assume the maintenance of the area located between the wall and public street pavement.
