

STAFF COMMENTS:

NOTE: This property is subject to the provisions of the Woodbridge Commercial Community Unit Plan (DP-160). This property will be developed with commercial uses as provided for in the "Parcel Descriptions" section of the approved Community Unit Plan. The applicant's associated zone case (Z-2807) requesting "AA" to "LC" has been approved subject to platting.

- A. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted.
- B. The applicant shall guarantee the decel lanes for 21st Street North and 119th Street West that are needed to serve this commercial property. Also, the applicant shall guarantee a westbound left turn lane for 21st Street North to serve Lot 4's access to this major street.
- C. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- D. The proposed joint access easement will need to be established by separate instrument with appropriate recording information indicated on the final plat tracing. Prior to recording the joint access easement, a draft shall be submitted to the Planning Department for review and approval. The instrument must clearly state the purpose of the easement as well as which properties benefit from the easement. Initial construction responsibilities and future maintenance of the driveway within the easement should also be addressed by the text of the instrument.
- E. The final plat tracing shall label the centerline of adjacent 119th Street West.
- F. On the final plat tracing, the recording information for the drainage easement at the southeast corner of Lot 4 shall be shown.
- G. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- H. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).
- I. Recording of the plat within 30 days after approval by the City Council.
- J. The representative from City Engineering should be prepared to comment on the status of the applicant's drainage plan.

OCTOBER 8, 1987

Re: Final Plat S/D 87-102 - WOODBRIDGE FOURTH ADDITION

Dear Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on October 15, 1987, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of October 9, 1987.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platlor.
3. Certification that all real estate taxes for the first half of 1987 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

Donald Losew
Junior Planner
