STAFF COMMENTS:

NOTE: The applicant's associated zone case (Z-2790) requesting "A" (duplex), "B" (multiple-family) and "BB" (office) to "BB" (office) has been approved subject to replatting.

- B. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- C. On the final plat tracing, 5 feet of additional street right-of-way shall be dedicated for adjacent 2nd Street. This additional dedication will bring the half-street right-of-way up to the 35-foot standard for office and commercial areas.
- D. The granting of "complete access control", to Holyoke Avenue, is depicted correctly on this plat as was stipulated by the association zone change case.

This contingent dedication shall run with the land but shall not be construed to require the removal or destruction of the existing building."
- G. On the final plat tracing, the south 30 feet of the contingent dedication, depicted on the final plat, shall be made an outright dedication. This portion of land is not occupied by the existing building.
- H. On the final plat tracing, the building setback from Hillside shall not be labeled only a 20-foot setback. Instead the setback line shall be simply labeled as a building setback with a 20-foot dimension on the southern portion of the lot and a 30-foot dimension on the northern portion of the lot. This change in labeling of the setback will include the contingent dedication within the setback area.
- I. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.

Dear Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on October 29, 1987, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of October 23, 1987.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platlor.
3. Certification that all real estate taxes for the first half of 1987 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

Donald Losew
