BOARD OF ZONING APPEALS
WICHITA, KANSAS

AGENDA ITEM NO. 4

January 24, 1989

SECRETARY'S REPORT

CASE NUMBER: BZA 56-88

OWNER/APPLICANT/AGENT: Barbara A. Palmer (owner/applicant)

REQUEST: Exception to permit the establishment of off-street parking.

CURRENT ZONING: "AA" One-Family Dwelling District

SITE SIZE: 75 ft. x 130 ft.

LOCATION: North side of Jennie in an area east of Woodchuck (7912 Jennie).

JURISDICTION: The Board has jurisdiction to consider this request under the provisions outlined in Section 2.12.590.C, Code of the City of Wichita. The Board may grant the exception, provided the conditions set out in Section 28.04.145 can be complied with.

BACKGROUND: The applicant is requesting an exception to permit a parking lot on an "AA"-zoned lot which is adjacent to the east of a "BB" office lot. A house now exists on the application area and will have to be removed in order to provide the parking spaces. On the office lot is a former duplex which has been converted to office uses. Five separate businesses are identified as occupying this building, although planning staff has been advised that all businesses are under one control and the employees in the building work for all the businesses. A representative of the applicant has stated that there could be up to 19 employees in the building. The office structure is currently 2,934 square feet in size; an additional 650 square feet is proposed. The parking requirement, based on 1 space per 250 square feet of floor area, would be 15 spaces for a 3,584-square-foot building. If this were considered a medical office building, the parking requirement would be 27 spaces (1/500 sq. ft., or 8 spaces + 1/employee, or 19 spaces). One of the businesses in the office building is Associated Allergists, P.A.; however, the physicians do not see patients at this location.

According to the proposed site plan submitted by the applicant, access to all off-street parking for this office building will be from one existing driveway on Jennie near the west end of the property. The existing curb cut on the application lot, as well as the existing curb cut onto Woodchuck, are to be closed.

ADJACENT ZONING AND LAND USE:

NORTH	"AA"	Single-family dwelling
SOUTH	"AA"	Single-family dwelling
EAST	"AA"	Single-family dwelling
WEST	"BB"	Offices

RECOMMENDATION: Should the Board determine that a parking lot is appropriate at this location, it is recommended that the exception be approved, subject to the following conditions:

1. The parking spaces, driveway, and all circulation aisles shall be surfaced with concrete or asphalt and marked in conformance with the site plan submitted with this application.
2. Access to this parking lot shall be through Lot 1, Block A, Meadowview Estates, as shown on the site plan submitted with this application. The existing driveway from Woodchuck on Lot 1 and the existing driveway from Jennie on Lot 2 shall be removed and the curbs reconstructed at the time the parking area on Lot 2 is paved.
3. A 6-foot-high solid wood fence shall be erected along the east and north sides of the proposed parking lot and shall be continued into the northwest corner of the parking lot so that the
