City Council Meeting
December 13, 2005

Agenda Report No. _____

TO: Mayor and City Council

SUBJECT: ZON2005-00041 – Zone change from “SF-5” Single-family Residential, to “GO” General Office. Generally located north of 21st Street North and west of Somerset (1620 W. 21st Street North). (District VI)

INITIATED BY: Metropolitan Area Planning Department *TLS*

AGENDA: Planning (Non-Consent)

MAPC Recommendations: Approve (10-0).

MAPD Staff Recommendations: Approve.

DAB Recommendations: Approve (7-0).

Background: The applicant requests a zone change from “SF-5” Single-family Residential to “GO” General Office on a 3.04-acre lot located north of 21st Street and west of Somerset. The subject property is a platted lot and is developed with a church. The applicant intends to make child care a function of the facility; under the current SF-5 zoning “Day Care, General” would require a Conditional Use. Likewise, the church intends to conduct office use for other social services in the future. Given these land use desires, and the location of this site along 21st Street, staff felt that a zone change request to “GO” General Office would best suit the applicant’s long term plans.

The surrounding area is characterized by commercial uses along 21st Street, with some office and multi-family residential uses in the immediate area. The property to the north, across 22nd Street, is zoned “B” Multi-family and developed with an apartment complex. South of the site, across 21st Street, is a GO zoned medical/dental facility. East and west of the site are “LC” Limited Commercial zoned retail uses. The 21st Street and Amidon intersection is approximately ¼ mile to the west, with commercial zoning and development on all four corners. Immediately west of this site is the Little Arkansas River.

Analysis: DAB VI heard this request on October 19, 2005; a representative of the apartment complex north of the site spoke in opposition to the zone change request. DAB VI recommended approval of the request by a vote of 7-0. MAPC heard this request on October 20, 2005. A representative of the apartment complex north of the site again spoke in opposition to the zone change request; the action of the MAPC was to approve 10-0. The apartment complex property north of the site filed a protest petition, amounting to 34.2 percent of the protest area, requiring a governing body ¾ majority override to approve the zone change request.

Financial Considerations: None.

Legal Considerations: The resolution has been reviewed and approved as to form by the Law Department.

Recommendation/Actions:

1. Adopt the findings of the MAPC, approve the zone change and place the ordinance on first reading; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission’s recommendation requires a two-thirds majority vote of the City Council on the first hearing.)
