RE: CUP2023-00028 – Administrative Adjustment request in the City to the Johnson Commercial Centre CUP DP-289 to reflect changes in access control on Parcels 1 and 2 on property zoned LC Limited Commercial District; generally located on the south side of West 53rd Street North and within one-quarter mile west of North Meridian Avenue.

LEGAL DESCRIPTION: Lots 1 and 2, Block A, Johnson Commercial Centre Addition, Wichita, Sedgwick County, Kansas.

Dear Applicants:

We received and reviewed your request for an Administrative Adjustment to DP-289 Parcels 1 and 2 in order reflect changes in access on the CUP document in relation to VAC2023-00013, VAC2023-00014, and VAC2023-00015.

- VAC2023-00013 vacated a 30-foot joint access easement by separate instrument that had a center line on the shared parcel line of Parcels 1 and 2. The result of this vacation included a dedication of access control to close the permitted 30-foot drive access on West 53rd Street North associated with this joint access easement.
- VAC2023-00014 vacated 15 feet of complete access control along the western portion of the north property line of Parcel 1. This in conjunction with VAC2023-00015, which vacated 35-feet of access control along the eastern side of the north property line of the abutting lot to the west, creates a 50-foot shared drive access.

These changes are only reflected on the CUP drawing and there are no changes required to the General Provisions.

Our signatures below indicate that the CUP shall be adjusted as stated in this letter. This CUP adjustment shall not be deemed to alter any other provisions of the CUP except as expressly stated herein.

The “Development Application” sign should now be removed from the property. Please submit one (1) electronic copy and four (4) full-sized paper copies of the revised CUP drawing within 60 days in order for this adjustment to be considered final.
