NOTE:
A master grading plan for drainage has been developed for this subdivision and is on file with the City of Wichita, Kansas. All drainage easements, right-of-ways, or reserves shall remain at established grades or as modified with the approval of the City Engineer of the City of Wichita, Kansas. No obstructions which impede the flow of this drainage system be allowed.

Note: Peak discharge rates were determined using the HEC-2 Software program. Pond Pack. This software accounts for the time distribution of the hydrographs of the areas involved.
