

CENTRAL

AVE.

Scale: 1"=30'

B.M. City disc top N. handrail
West side R.C.D. on North
Rd. 50' Cor. Prop. 21.54' 02

GENERAL NOTES

1. Verify the following companies prior to any trenching.
Noble Gas Co. 942-3330
Bell Telephone Co. 268-2087
Cablevision Co. 268-4817
Gas Service Co. 263-7314
Electric 263-7314
Kemp-Old 263-8933
2. All block corners and control points will be protected.
It is the responsibility of the contractor to protect all existing
utilities and structures at his expense.
3. All water mains and appurtenances shall be installed
in accordance with the City of Wichita Water Department
Standard Specifications, Number 1433.
4. As these water mains are being installed in an easement
on private property it will be the responsibility of the contractor
to obtain the necessary easement from the owner of the property.
The contractor shall be responsible for establishing the
finished grade of the easement over the water mains and
appurtenances prior to installation of same. This will not
be done by the Water Dept. under any circumstances.
5. Water mains and appurtenances to be installed and installed
by the water contractor.
