**NOTE TO CONTRACTOR**  
This project will be constructed under the provisions of the City of Wichita, Kansas, Ordinance No. 100-100, as amended, which requires that all utility lines be located and marked prior to construction. The contractor shall be responsible for procuring property maps, maps of utility lines, and other maps which are necessary for the construction of this project. Such maps shall be submitted to the City Engineer for review and approval. For all utility lines, please refer to the City Engineer's office for more information.

APPROVED AS NOTED  
By CITY ENGINEER OF WICHITA  
Sanitary Sewer  
Storm Sewer  
Driveway Approaches

**Notes**  
Contractor to verify any possible underground utilities or buried lines prior to construction.  
Contractor shall be responsible for procuring property maps, maps of utility lines, and other maps which are necessary for the construction of this project. Such maps shall be submitted to the City Engineer for review and approval. For all utility lines, please refer to the City Engineer's office for more information.
