

B.M. 83.58 Broadway & 55th St. So. City Sid. 42' E & 32' S. & Both  
 B.M. 87.94 'ALA' Top Fire Plug NW. Cor. Maywood & St. Francis.  
 B.M. 87.28 "x" N. Side MH Rim Approx. 303' E of BK. N. Co. Maywood  
 & 102' W of BK. W. Co. St. Francis in  
 Riverside 2nd Addn.

Scales:  
 Plan - 1" = 20'  
 Profile - 1" = 20' Vert.

**Note:**  
 Excavate between Sta. 3+53.45 & 4+03.45 before any construction of  
 sewer begins, to insure the proposed sewer is deep enough to  
 connect the existing lines into.  
 Remove the existing 8" clay pipe between the two manholes. Reconnect  
 existing lines into the proposed manholes.  
 Contact Jasper Case at 834-8069 for assistance in locating the  
 proposed manholes.  
 Location of existing sewer system, water lines, & gas lines is approximate,  
 since location map of the site is vague.  
 Set top of manholes at ground level elevation.

NOTE: CONTRACTOR SHALL INSTALL BARS IN ALL EXCAVATIONS TO PROTECT ALL UTILITIES AND TO CONNECT TO MANHOLES. THIS WORK  
 SHALL BE PAID FOR AT THE UNIT PRICE BID FOR THIS WORK.
