Elev = 117.46 City Datum

SCALE 1"=20' PLAN
1"=5' PROFILE

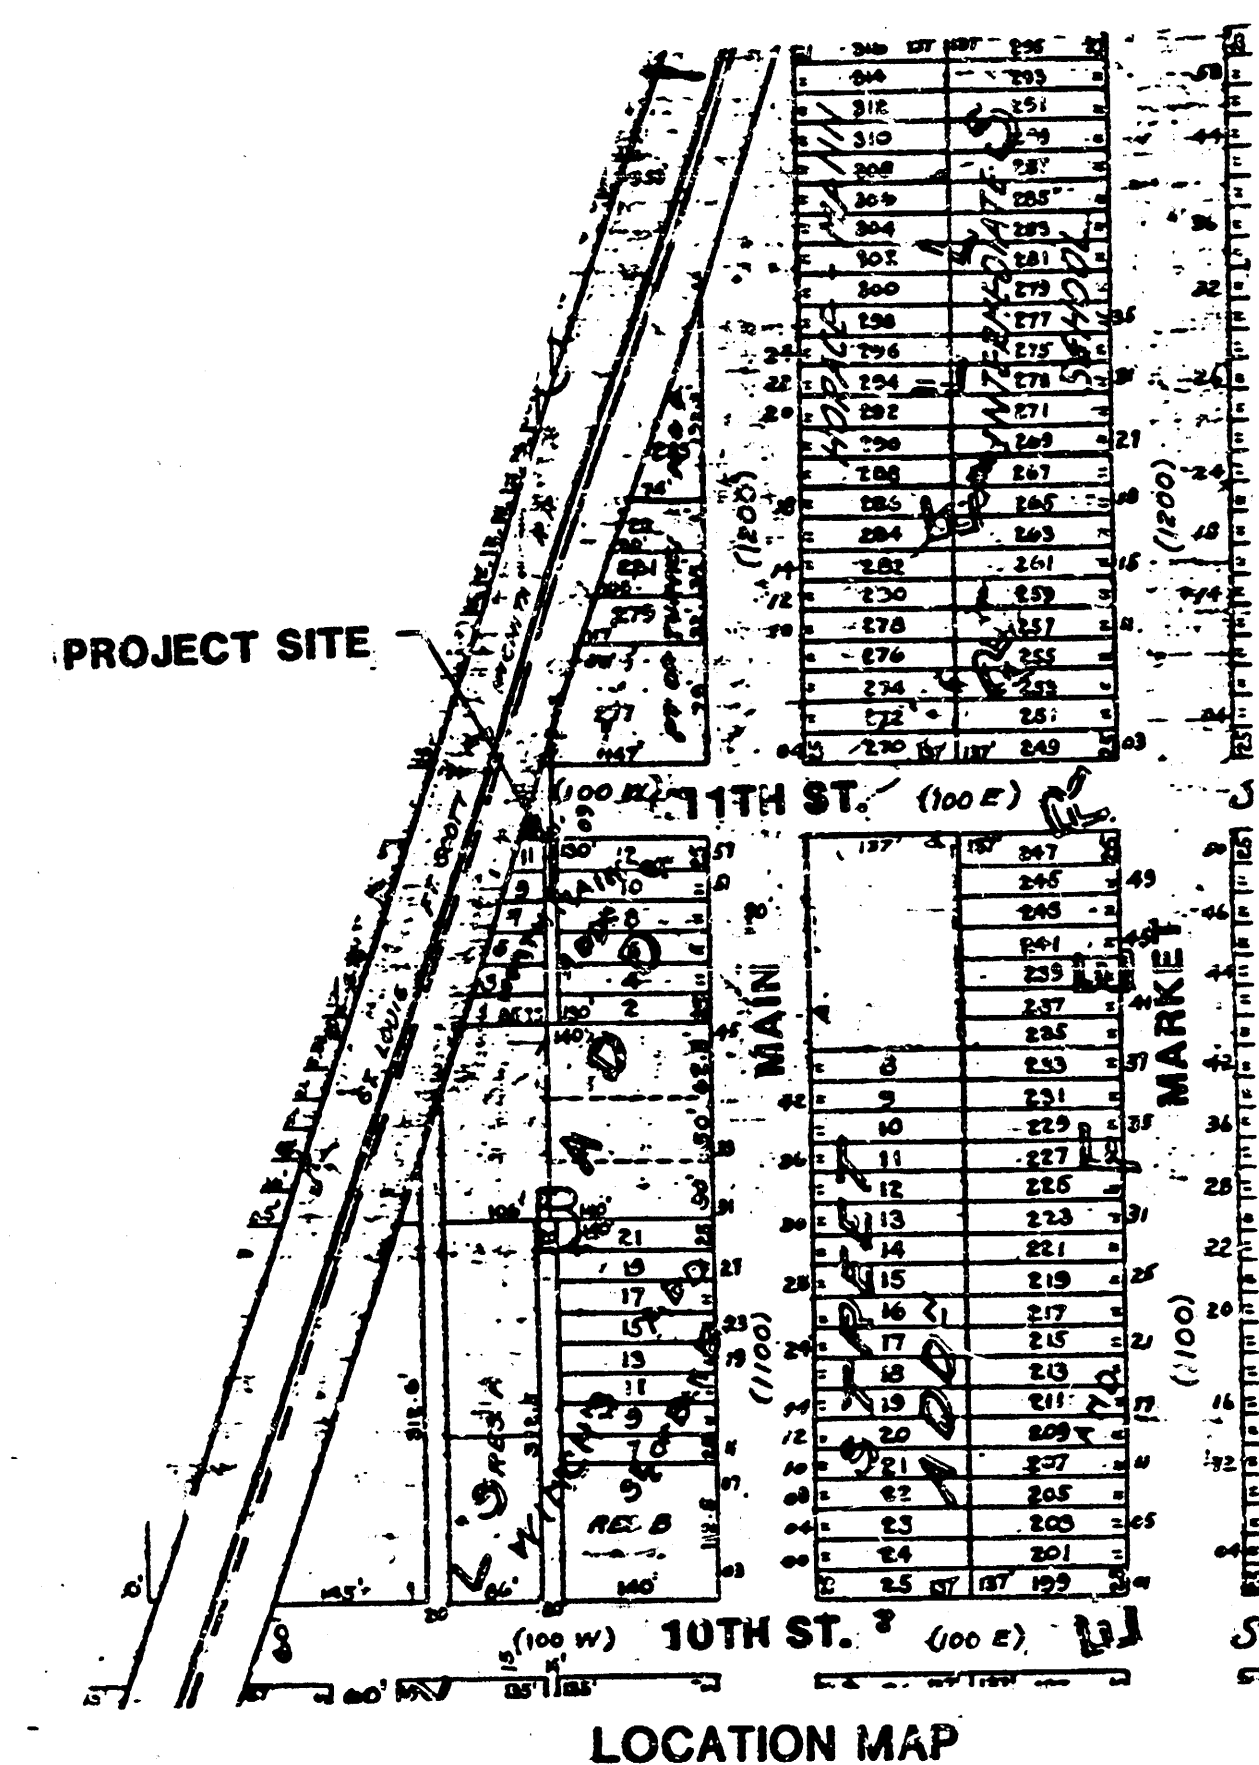

SPECIAL MANHOLE "TYPE A"

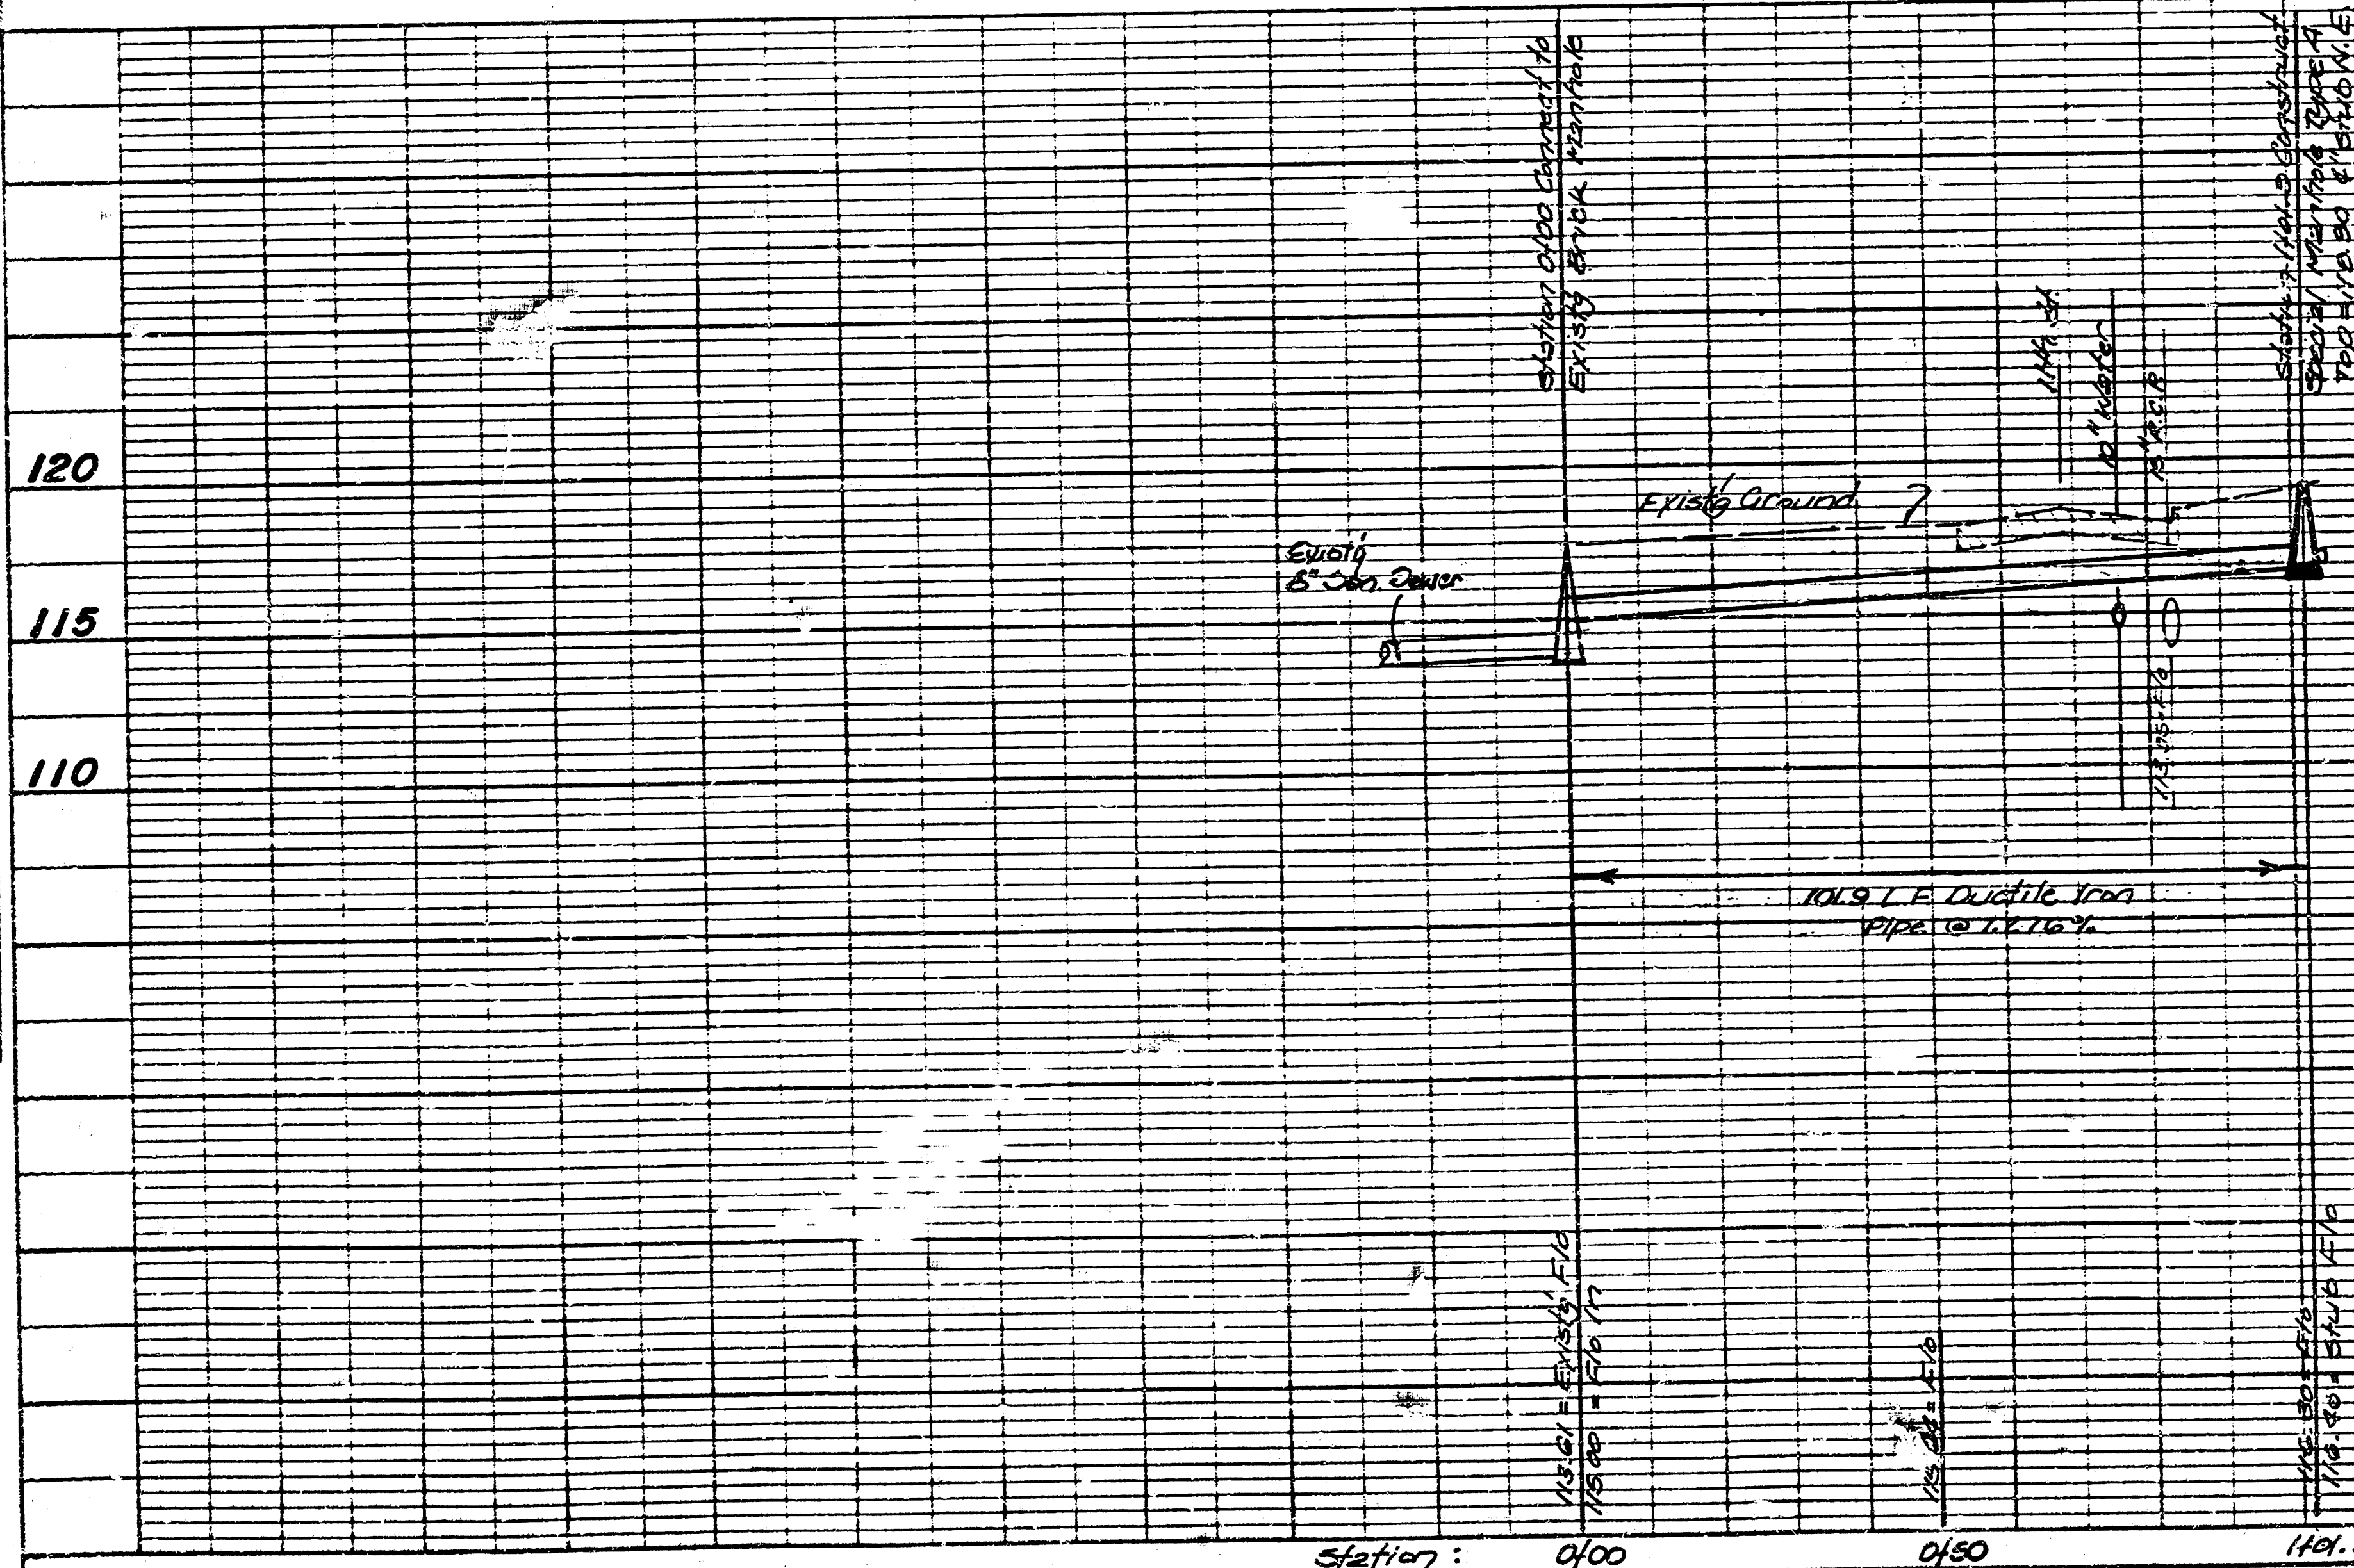

GENERAL NOTES

- The contractor shall remove and replace the concrete curb and gutter, brick pavement with base, and concrete sidewalk as per City of Wichita Standard Specifications.
- The contractor shall contact the property owner of Lot 6 prior to beginning any construction.
- The contractor shall adequately barricade 11th Street to traffic during construction.
- The contractor shall use precaution when excavating over the water line and the storm sewer and shall expose both and verify the elevations for clearance depths.
- The contractor shall contact the utility companies prior to construction in order to verify any other possible underground utility lines with the R.W. areas.
