

**Note:** Utilities are not shown on Traffic Control Plans. The Contractor is responsible for verification as to type and location of underground utilities as may be necessary to avoid damage thereto. The Contractor is responsible for repairing any damage to underground utilities.

**NOTE:**  
 Access to the three Wichita Transit Authority (WTA) drives on Emporia shall be maintained as follows:

1. The SOUTH drive can only be closed one weekend from 6:30 pm on Friday to 5:00 am the following Monday.
2. One half of the MIDDLE drive must remain open at all times.
3. The NORTH drive can be closed for construction, but only when the SOUTH drive is open. The NORTH drive closure shall be limited to 10 calendar days.
4. When the SOUTH drive is closed, both the MIDDLE drive and the NORTH drive must remain open.

The contractor shall contact Brad Davis, WTA Superintendent of Transportation (352-4815), a minimum of 10 days in advance of any construction that will impact normal access to these drives.
