

**FOX RIDGE ADDITION - PHASE 1
CROSS SECTIONS
BRUSH CREEK**

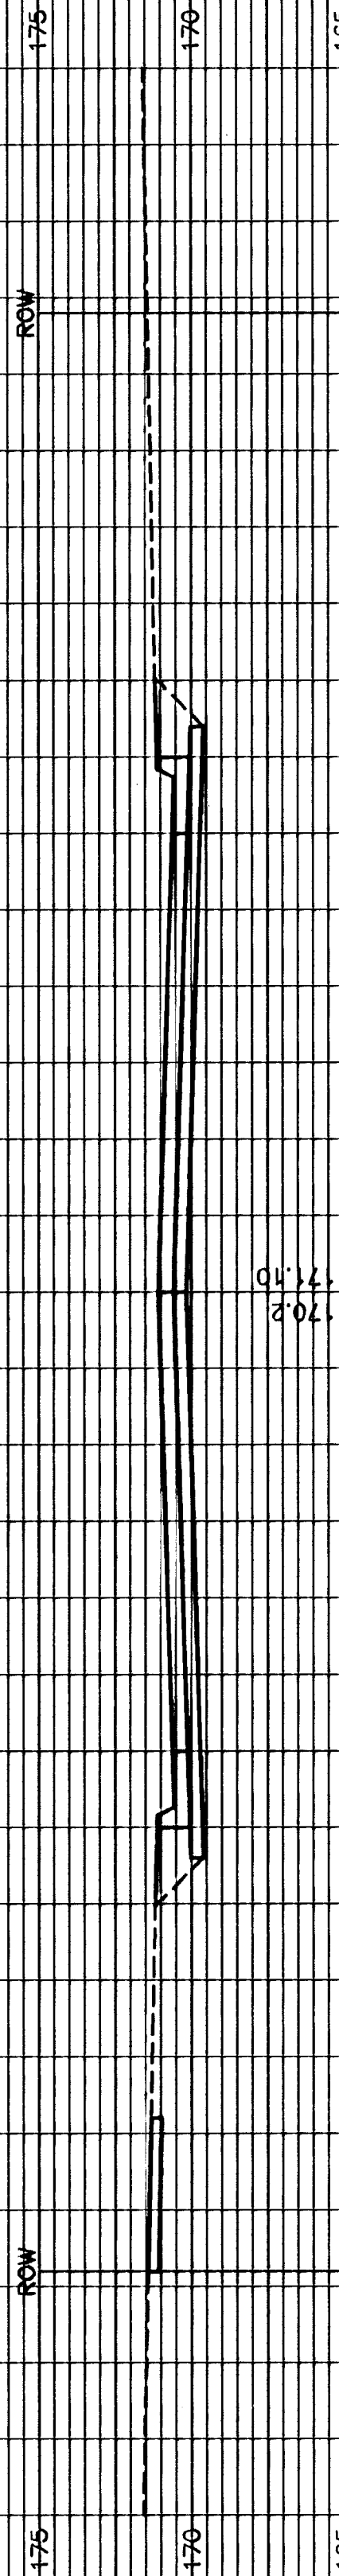

Figure 1 shows a schematic diagram of a 2D grid. The grid is bounded by a dashed line. A solid line runs horizontally across the middle. A vertical line segment is labeled 'ROW' at both ends. The horizontal axis is labeled '70.0' and '70.80'. The vertical axis is labeled '170' and '175'.

Figure 1 shows a 3D perspective view of a rectangular box. The box is oriented horizontally. The top surface is labeled "ROW". The dimensions are indicated as follows: the width of the front face is 69.2, the depth of the box is 70.1, and the height of the box is 170. A dashed line runs along the top edge of the box, indicating a fold line.
