PERMIT

No. KS2017308-PW006298

For Supplying Water to the Public for
Domestic Purposes

In accordance with the provisions of Kansas Statutes Annotated 65-163

PERMISSION HEREBY GRANTED

to: the City of Wichita, Sedgwick County, Kansas
NAME OF MUNICIPALITY, INSTITUTION, DISTRICT, CORPORATION OR PERSON

to supply water to the public for domestic purposes, from ~5.3 miles of 4-inch, 6-inch and 8-inch waterline and related appurtenances, in conformity with plans and specifications approved by the Department of Health and Environment, and the following named conditions and requirements to wit:

Provided, the water is of satisfactory bacteriological and chemical quality as shown by representative samples submitted to KDHE, Division of Laboratories or to a certified private or municipal laboratory.

Provided, further, that all water supplied to the public from this source be subjected to continuous chlorination treatment.

Provided, further that the above named public water supply system shall be under the continuous supervision of an operator having the appropriate level of certification as required by K.S.A. 65-4510.

Done at Topeka, this 3rd day of May, 2018

A handwritten signature in black ink, appearing to read "J. B. Andersen". The signature is written in a cursive style with a horizontal line underneath.
