

Know all men by these presents that we, the undersigned, have caused the land in the surveyors certificate to be platted into Lots, Blocks, Reserves and Streets, to be known as "COLT MEADOWS ADDITION, Wichita, Sedgwick County, Kansas. The utility easements are hereby granted to the public as indicated for the construction and maintenance of all public utilities. The drainage and utility easements are hereby granted to the public as indicated for drainage purposes and for the construction and maintenance of all public utilities. The well easement is hereby granted as indicated for the construction and maintenance of a private screening wall and utility main lines and service lines shall be allowed to cross this easement. No sign, light poles, private drainage systems, berms, walls, masonry trash enclosures or other structures shall be located within public utility easements unless permitted by the City of Wichita Department of Engineering and that they do not inhibit the conveyance of surface drainage. No private drainage systems shall be located within public drainage easements unless a Residential Drainage Relief Permit is obtained from the City of Wichita Department of Engineering. The streets are hereby dedicated to and for the use of the public. No obstructions shall be constructed or placed within the street stubs providing future access to adjacent properties. Reserve "A" is hereby reserved for open space, landscaping, lakes, drainage purposes, and utilities as confined to easements. Reserve "B" is hereby reserved for entry monuments, landscaping, open space, streets, and drainage purposes. Reserves "A" & "B" shall be owned and maintained by the homeowners association for the addition. Compliance with any platted restrictions and applicable restrictive covenants affecting said Reserves shall be binding on any owners, successors, heirs, or assigns. Access controls shall be as depicted on the face of the plat and are hereby granted to the appropriate governing body. The Minimum Building Pad Elevations for the lowest opening to the structures shall be as indicated on the face of the plat. FEMA floodplain and regulatory floodway boundaries are subject to periodic change and such change may affect the intended land use within the subdivision.

COLT MEADOWS ADDITION WICHITA, SEDGWICK COUNTY, KANSAS

We the undersigned holders of a mortgage on the above described property, do hereby consent to this plat of "COLT MEADOWS ADDITION", Wichita, Sedgwick County, Kansas.
