

NOTED CHANGES TO THE PLANS OR SCOPE:

Project Number: COW # 2021-013144 PPW Date: 4/19/2023

Project Name: WATER DISTRIBUTION SYSTEM To Serve
UPTOWN LANDING - PH. 2

Contractor: WILKS UNDERGROUND

Inspector: LARRY POWELL Baughman Job #: 21-10-E032

ITEM # 1: 2" WATER METERS:

- * Domestic Water Lines 2 and 3 had 2" Water Meters installed by City of Wichita. The Water Meter Vaults and 3" Water Meters for Domestic Water Lines 2 and 3 were eliminated from the project. The developer made this change to the plans. OCTAVE Master Meter, 2" - Water Meters were installed.

ITEM # 2: 2" and 4" DOMESTIC WATER LINES:

- * Water Lines 2 and 3 had 2" Curb Stops installed with 2" Blue Poly pipe running to new 2" Water Meters. After a short run of 2" pipe, 4" PVC and DICL pipe was installed and ran to near the building. Then a short run of 3" copper pipe was installed by Others thru the outside building wall into the basement.
