NOTE:
A master grading plan for drainage has been developed for this subdivision and is on file with the City of Wichita, Kansas. All drainage easements, right-of-ways, or reserves shall remain at established grades or as modified with the approval of the City Engineer of the City of Wichita, Kansas. No obstructions which impede the flow of this drainage system be allowed.

Know all men by these presents that we, the undersigned, have caused the land in the surveyors certificate to be platted into Lots, Blocks, Streets, and Reserves, to be known as "KRUG NORTH 2ND ADDITION", Wichita, Sedgwick County, Kansas. The utility easements are hereby granted as indicated for the construction and maintenance of all public utilities. The drainage and utility easements are hereby granted as indicated for drainage purposes and for the construction and maintenance of all public utilities. The drainage easements are hereby granted as indicated for drainage purposes. The streets are hereby dedicated to and for the use of the public. Reserve "A" is hereby reserved for entry monuments, landscaping, open space, drainage purposes, and utilities. Reserve "B" is hereby reserved for lakes, landscaping, berms, sidewalks, open space, drainage purposes and utilities as confined to easements. Reserve "C" is hereby reserved for landscaping, open space, drainage purposes and utilities as confined to easements. Reserves "A", "B", and "C", shall be owned and maintained by the homeowners association for the addition provided, however, that the undersigned, or the homeowners association, as the undersigned's successor in interest, may, in their discretion, deed a parcel of a Reserve to an owner or owners of an adjacent lot, subject to the obligation to maintain such deeded parcel of a Reserve in compliance with the provisions hereof and in compliance with the maintenance covenants of any applicable restrictive covenants and/or regulations. Access controls shall be as depicted on the face of the plat and are hereby granted to the City of Wichita, Kansas. The Minimum Building Pad Elevations for the lowest opening to the structures shall be as indicated on the face of the plat.
